

IVANHOE HARRIERS ATHLETIC CLUB

ESTABLISHED 1914

An invitation to join

Ivanhoe Harriers Athletic Club, established in 1914, has a long tradition of producing top quality athletes. Ivanhoe Harriers' club coaches have coached State & National Champions as well as Olympians. Our coaches are committed to helping athletes of all abilities reach their full potential and enjoy their sport. Therefore, whether you are a champion in the making or just looking to improve your fitness and have some fun, Ivanhoe Harriers can fulfill your needs. The club welcomes male and female athletes of all ages from teenagers to veterans.

A Chance To Participate

Become a registered athlete competing for the Ivanhoe Harriers Athletic Club and you will be entitled to compete in the Victorian Athletics season comprising of a Summer Track & Field Competition, and a Winter Competition that involves a number of individual and team relay road and cross country races. Also there is a chance to represent your club as an elite athlete, and compete for Victoria in various National Championships.

Coaching Information

John Boas is one of the most respected and experienced coaches in Australia. He coached Gary Honey to an Olympic silver medal in 1984, and Ian Campbell to the 1980 Olympic final, as well as numerous other international athletes subsequently. He is internationally renowned as a jumps coach, having lectured other coaches overseas and is accredited at level 5, the highest possible level. As well as jumps, he also coaches sprints.

Peter Rule is a well-known coach, particularly in pole vault. He has coached many athletes to under age National titles, in pole vault, hurdles and multi events. He has also coached athletes who represented Australia at the World School Games. He is an accredited coach at level 4, and is a regular presenter at level 2 coaches courses in pole vault.

Other coaches to assist the principal coaches will be appointed from time to time.
